Memorandum

To: Summer Frederick
From: Bill Fritz
Division: Zoning and Current Development
Date: June 22, 2010
Subject: SDP 2009 – 67 Crozet Library

On December 15, 2009 I wrote a memo denying a waiver request for the sidewalks associated with the Library. The memo noted that an ordinance change was pending and that with approval of the ordinance amendments that the waiver request may be approved. The ordinance has been amended. Therefore the waiver to the sidewalk dimensions is approved for the reasons cited in my December 15, 2009 memo.
