At its March 5th meeting, the Board expressed its desire to have further discussion regarding the purpose and outcomes for a joint meeting with City Council to be scheduled sometime after the Board's June retreat. Some background on existing partnerships and past efforts regarding regional cooperation with the City is provided for the Board's information (Attachment A).

STRATEGIC PLAN:

Mission Statement: To enhance the well-being and quality of life for all citizens through the provision of the highest level of public service consistent with the prudent use of public funds.

DISCUSSION:

The County Executive has discussed the possibility of such a meeting with the City Manager on several occasions and they recently identified July as a possible time for the meeting. After further direction is provided by the Board on the purpose and outcomes for the meeting, it is suggested that the Chair and County Executive meet with the Mayor and City Manager to finalize plans for the meeting.

BUDGET IMPACT:

There is no budget impact anticipated.

RECOMMENDATIONS:

Staff recommends that the Board provide direction on the purpose and desired outcomes for a joint meeting with City Council and authorize the Chair and County Executive to meet with City representatives to finalize plans for a joint meeting.
